How it works

Setup your account and start creating orders today.

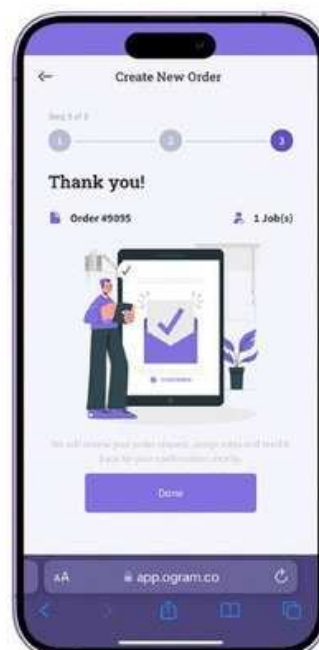

Step 1 Sign up to Ogram

Set up your company profile via our intuitive web app

Step 2 Post shifts in minutes

Create your shifts using our automated scheduling tools, from a single shift to as many days as you need

Step 3 Match with the best candidates

Choose between automatic matching or hand-pick from a shortlist of matches

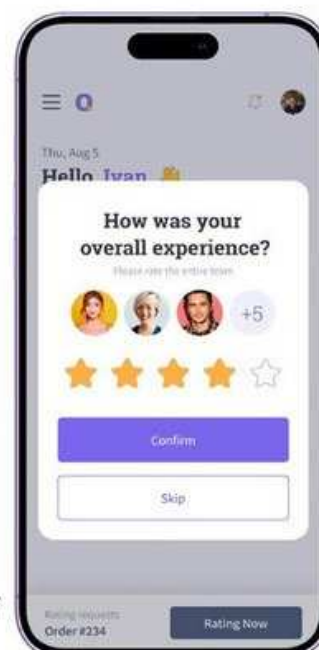

Step 4 Manage your workforce

Manage jobs, timesheets, attendance, and payroll in one seamless digital platform

Step 5 Rate your experience

Rate your OG experience, and use our ratings feature to find your next hires

About Ogram

Founded in 2017, Ogram is the leading on-demand and temporary staffing marketplace in the UAE, connecting qualified local talent with businesses across Hospitality, Retail, Logistics, and Warehousing.

Our technology-driven platform empowers companies to book and manage staff quickly and efficiently, tailored to their unique needs. **Today, Ogram proudly operates in the United Arab Emirates, Saudi Arabia, and Greece**, delivering flexible workforce solutions across borders.

What our clients say

*"Most flexible service
we have used"*

*"We continue to scale
with Ogram"*

*"Employee of the month
was an Ogrammer"*
